70. **Reservation of Rights**

70.1. All Participants acknowledge that the Project description as specified in this Invitation, including Appendix A, is general and indicative only. All Participants further acknowledge that at the date of issuance of this Invitation, the Project is not completely formulated, and the Tender Process Documents have not been completed and/or approved. The issuance of this Invitation is not intended to give rise to or create any representation, undertaking or warranty on behalf of the GoI, the Tender Committee, the JTMT or anyone on their behalf with respect to the Project or the Tender Process. The Tender Committee reserves the right to update, amend or change the Project, including the site of the Project, the required works and services for the Project, general conditions for the execution of the Project and the selection of Eligible Participants, including determining additional pre-qualification requirements or minimum requirements, whether as part of the Pre-Qualification Process or the Tender Process.

70.2. For the avoidance of doubt, without derogating from the provisions of the Pre-Qualification Documents, Participation in this Pre-Qualification Process shall not confer upon an Entity, a Participant or an Eligible Participant any right with respect to the Project, the scope or content thereof, or any future proceedings which will be conducted with respect thereto, including the Tender Process. The Tender Committee reserves all rights and prerogatives to determine the exact scope, the

content, and the terms and conditions of the Tender Documents and for the execution of the Project.

- 70.3. It is further clarified that the issuance of this Invitation is not intended to guarantee the initiation, execution or the implementation of the Project or any part thereof.
- 70.4. It is expressly understood that any reliance by any Entity or Participant on any information in the Pre-Qualification Documents, or any information provided or which will be provided by the GoI, the Tender Committee and the JTMT or anyone on its behalf, including any assumption, conclusion, interpretation, intention or information with respect to the Project and the Tender Process, is at the sole responsibility of the Entity or Participant, and such shall not have any claim against the GoI, the Tender Committee, JTMT or anyone on its behalf with respect thereto. The GoI, the Tender Committee, JTMT and anyone on their behalf, shall not be responsible in any respect to any loss or damage whatsoever suffered by any Entity and/or Participant and/or anyone on their behalf, by reason of any assumption, conclusion or reliance on the information contained in the Pre-Qualification Documents in connection therewith, or any action or forbearance in reliance thereon.
- 70.5. Without derogating from the generality of the foregoing, the Tender Committee reserves the right not to proceed with this Pre-Qualification Process, or with the Tender Process for the execution of the Project or any part thereof, and may terminate or cancel this Invitation or any other proceedings which are conducted with respect thereto, or with respect to the Project or any part thereof, at any time, for any reason whatsoever, as it shall deem appropriate.
- 70.6. Under the circumstances described herein, including where the next stages of the Tender, inter alia, the Tender Process and the issuance of the Tender Process Documents, are not approved (including in accordance with Section 46A of the Railway Ordinance [New Version] 5732-1972), the GoI, the Tender Committee, the JTMT or anyone on their behalf shall not be responsible in any respect to any loss or damage whatsoever suffered by any Entity or Participant and/or anyone on their behalf, including their employees, officers, agents, or any other persons for whom any Entity or Participant may be contractually or legally responsible or accountable, and shall not be required to compensate the Entity or the Participant, their employees, officers, agents, or any other persons for whom the Entity or Participant may be contractually or legally responsible or accountable.
- 70.7. The GoI, the Tender Committee, the JTMT or anyone on their behalf may publish a new invitation to pre-qualify or other proceedings with respect to the Project or any part thereof, which may include other pre-qualification requirements, or require additional pre-qualification or minimum requirements in the Tender Documents, or invite or not the Participants to take part in such process, or execute the Project or any part thereof, in any other way they deem appropriate.

71. Prerogatives of the Tender Committee

Without derogating from any provision under the Tender Documents or any applicable Law, the Tender Committee reserves the right to act upon any of the following prerogatives, whether at the Pre-Qualification Process or at the Tender Process, and the

GoI, the Tender Committee, the JTMT or anyone on their behalf shall not be responsible in any respect to any loss or damage whatsoever suffered by any Entity or Participant as a consequence of exercising such prerogatives.

- 71.1. The Tender Committee reserves the right to add, determine or amend the requirements of the Pre-Qualification Process and the Tender Process, at any stage.
- 71.2. Without derogating from the foregoing, the Tender Committee may, *inter alia*, add or determine additional Pre-Qualification Requirements; determine new technical requirements and/or financial requirements or any other requirements it deems necessary under the circumstances, or require a change in the composition of the Participant (including waiving a requirement for the participation of an Experience Provider of a certain discipline or request the addition of an Experience Provider of a certain discipline).
- 71.3. The Tender Committee reserves the right to evaluate, at any stage, the compliance of any Pre-Qualification Submission with the requirements herein, including the compliance of any Pre-Qualification Submission reviewed by the Tender Committee (or any part thereof), to request additional information, to request the correction of any Deviation, to modify or nullify any decision of the Tender Committee, all for any reason as the Tender Committee may deem fit.
- 71.4. Without derogating from any of its rights and prerogatives pursuant to this Invitation or Law, in evaluating the Pre-Qualification Submissions, decisions will be reached by the Tender Committee on the basis of substance rather than form. Thus, the Tender Committee may:
 - 71.4.1. in requests for clarification issued by it pursuant to the provisions of this Invitation, request the demonstration of the Pre-Qualifications Requirements by a form of submission other than that which is specified pursuant to the provisions of this Invitation, including by providing documents which have been prepared following the Pre-Qualification Submission Date;
 - 71.4.2. require or permit the demonstration of compliance with the Pre-Qualifications Requirements by Members or Experience Providers on behalf of a Participant other than those originally presented;
 - 71.4.3. determine that compliance with the Pre-Qualifications Requirements was demonstrated, or raise questions and requests for clarifications with respect to lack of compliance with the Pre-Qualifications Requirements or other provisions of this Invitation, based on information available to it;
- 71.5. Without derogating from the provisions of Section 43, the qualifications of one Entity may be accredited to another:
 - 71.5.1. following a Merger as such term is defined under the Companies Law 1999 (or, with respect to Entities established outside the State of Israel, a similar amalgamation, which, in accordance with the applicable law under the applicable jurisdiction, has substantially the same outcome), which was completed prior to the Pre-Qualification Submission Date; and/or

71.5.2. following an acquisition of 100% of all Means of Control of another Entity prior to the Pre-Qualification Submission Date; and/or

71.5.3. following a transfer of relevant assets of an Entity, a business or a division of an Entity (in this Section the “**Former Holding Entity**”), as part of a corporate reorganization, to a newly formed Entity or to an existing Entity; provided that (i) the Former Holding Entity no longer holds any of the transferred assets, business or division (as applicable), and (ii) the transfer was completed prior to the Pre-Qualification Submission Date,

provided that a confirmation of the date of the completion of the merger, acquisition, or the transfer of assets, business or division (as the case may be), and a description of the main features of the said merger, acquisition, or the transfer of assets, business or division (as the case may be), issued by the Entity’s (i) external auditor; or (ii) internal or external legal advisor.

71.6. The Tender Committee may exercise any of the prerogatives pursuant to this Section 71 (Prerogatives of the Tender Committee) at any time (including following the issuance of the Tender Process Documents), any number of times as it deems required.

71.7. For the avoidance of doubt the Tender Committee shall not be obligated to exercise any of the prerogatives pursuant to this Section 71 (Prerogatives of the Tender Committee).
